CAMPER ELIGIBILITY

Children eligible for the Texas Lions Camp summer programs include children with physical disabilities ages 7-16. Eligible children include, but are not limited to, children who are hearing impaired or deaf, visually impaired or blind, have an amputated limb, birth defects, cerebral palsy, arthritis, muscular dystrophy, cancer, asthma, heart conditions, etc. Two sessions are also provided for children who have type-1 diabetes ages 8-15. Children must have an I.Q. of 70 or above to attend. For more information concerning qualification guidelines, please contact the Camp Administration Office at the address or telephone numbers listed above.

FOUR EASY STEPS

1

Find Campers:

To find potential campers, contact local rehabilitation centers, doctors (including orthopedic surgeons, physical therapists, etc) associations (for diabetics, arthritis, cerebral palsy, etc-consult your phone book), and school principals, nurses, and special education teachers.

2

Visit with parents:

Take a brochure and application to the parent, and share the opportunities available at Texas Lions Camp. A former camper, their parent or a professional may be able to help explain the benefits of TLC. Please make the parents aware that all children attend TLC at no cost to themselves or their families.

3

Fill out the application:

Have the parent complete the application form. The form must include information from their physician and a physical must be dated no more than 6 months prior to the child's arrival at Camp.

The application must have 3 signatures:

1. parent, 2. Lion Sponsor, 3. Physician

If the application is not completely filled out, it will be returned, and thereby delaying an assignment for the camper.

The completed application will be examined by a review committee. The Lion sponsor and the parent will be notified as soon as possible upon assignment of the camper.

4

Arrange Transportation:

Transportation to and from the Camp may be provided by the parent(s) or the sponsoring Lions Club.

For more information or applications visit Texas Lions Camp online at www.lionscamp.com.
