

Join us for 2021 Polar Bear Plunge!

Benefiting Texas Lions Camp

Slide into the new year with a splash at the 28th Annual Polar Bear Plunge!

Join in the fun and #beboldgetcold this New Year's Day by sliding down Mo's 35-foot-high, 116-foot long water slide into the icy Guadalupe River!

This year, all proceeds will go to the Texas Lions Camp, who gives children with special medical conditions like Type-1 Diabetes, Down Syndrome and epilepsy a chance to experience the ultimate summer experience — summer camp!

Funds will go directly to a capital campaign designed to provide new and improved facilities, which will ensure that Texas Lions Camp will continue to be a place of growth, freedom and love for generations to come.

To register, go online to www.lionscamp.com or email tlc@lionscamp.com
